  - Must be 10 years or older to qualify for All-Stars

We will try out every 2-person combination for our Championship All Star teams. That will help us build our All-star rosters. Our goal is to have depth to build multiple teams that could win in the Postseason. Not every player will be eligible to try out for all stars but may be alternates. We will keep working and building our players and have some benchmarks for them to reach.

The number of All Stars teams we are eligible for depends on the overall participation of Glenmoor PGA Jr League. For every 24 kids we get 1 all-star team.
